

P.O. Box 203 Westhampton N.Y. 11977

February 15th, 2017

Dear Friend of the Moriches Bay Project,

Please join us for the 3rd Annual *Save the Bay* "Oyster Fling" which will be held at 7:00 pm on Saturday, June 24th at 28 Stacy Drive in Westhampton Beach. This is the Moriches Bay Project's biggest fundraising effort of the entire year and by becoming an official event sponsor, you will play an essential role in helping us to achieve our mission to clean Moriches Bay, one oyster at a time.

Last year, with the generous support of local businesses and sponsors, MBP made many important accomplishments. Specifically, MBP put more than 400,000 oysters in the bay, which filtered 21.5 million gallons of water every day. In addition, 265 pounds of nitrogen were removed from the bay. An unprecedented 4,147 people were engaged in helping to improve water quality in the bay through participation in various community events and workshops. MBP also planted roughly 5,000 shoots of eelgrass and hosted numerous workshops and educational programs. MBP is grateful to all our friends in the community and are proud of what we have accomplished together in 2016.

This year's Oyster Fling will feature fare prepared by Buoy One of Westhampton, live music, and a Chinese auction. The highlight of the evening is the Oyster Fling, which will give guests the unique and hands-on opportunity to participate in an activity that directly cleans Moriches Bay and helps further our mission.

Below, please find the sponsorship/donor levels that are available. Through a donation to this event, you will join a dedicated group of people who work to help preserve the bay, bring awareness to our community and educate our children. We hope that you and your company will be among the contributors who add to this special evening. Please contact us at [516-662-4702](tel:516-662-4702), or email us at morichesbayproject.org with questions.

Thank you in advance for supporting our grassroots project and for helping to improve the quality of life in and on our bay. We look forward to your participation at this exciting event. We all live work or play on the bay - we have a responsibility to care for it.
