Dear Moriches Bay Project,

Enclosed, please find a donation check in the amount of \$75.00 from Westhampton Beach Elementary School. On behalf of our W.A.V.E.S. Environmental Club, a club consisting of 25 third and fourth grade students, we sponsored a donation program in our school to raise money for the care and rehabilitation of our environment and our precious creatures. The program is called **Coins for Creatures**. Students, parents, and faculty participated by donating coins for your worthy cause. We hope this donation helps our bay in need. Thank you for your dedicated service in our community.

Sincerely,

A handwritten signature in cursive script that reads "Dawn M. Belson". The signature is fluid and elegant, with a prominent initial "D" and a long, sweeping tail.

Dawn M. Belson

W.A.V.E.S. Environmental Club Advisor
