P.O. Box 203 Westhampton NY 11977

Dear Friend of the Moriches Bay Project,

Please join us for the 2nd Annual Save the Bay "Oyster fling "which will be held on Saturday June 25, 7 p.m., at 28 Stacy Drive in Westhampton Beach. This is the Moriches Bay Project's biggest fundraising of the entire year, and your participation will help to make this year's event a great success.

Last year, with the generous support of local businesses and sponsors, we were able to continue our goal to improve the water quality in Moriches Bay. Specifically, we put approximately 100,000 oysters in the bay, planted over 5000 shoots of eelgrass, and hosted various workshops and educational programs. By becoming a sponsor of the 2016 Oyster Fling, you will play an important role in helping us to achieve even bigger goals. We all live work or play on the bay - we have a responsibility to care for it.

This year's Fling will feature New Orleans themed fare prepared by Buoy One of Westhampton, Dixieland jazz music performed by Gotham Easy, Live, Silent and Chinese Auctions. We will be announcing our partnership with Proud Pour and the highlight of the evening, the Oyster Fling, which will give guests the unique and hands-on opportunity to participate in an activity that directly cleans Moriches Bay and helps further our mission.

As a local business we look towards you for support. Last year our auction table brought in over 50% of the profit for this event. With your help we hope to have an even more profitable table this year. You are looked at as a leader in our community and it would be our honor to have your support at this event. You will be listed in our Benefit Journal, as a proud sponsor to the Moriches Bay Project.

Through a donation to this event, you will join a dedicated group of people who work to help preserve the Bay, bring awareness to our community and educate our children. We hope that you and your company will be among the contributors who add to this special evening. Please contact us at 516 662 4702, or email us at morichesbayproject.org with questions.

Thank you in advance for supporting our grassroots project and for helping to improve the quality of life in and on our bay. We look forward to your participation at this exciting event.
