Dear Friend of the Moriches Bay Project,

Please join us for the 5<sup>th</sup> Annual "Save the Bay" Oyster Fling which will be held on Saturday, June 29<sup>th</sup> at 7:00 pm at the Village Marina in Westhampton Beach. This is the Moriches Bay Project's biggest fundraising effort of the year and by becoming an official event sponsor, you will play an essential role in helping us to achieve our mission to clean Moriches Bay...*ONE OYSTER AT A TIME.*

MBP is grateful to all our friends and supporters in the community and are so proud of what we have accomplished together in 2018. With the generous support of local businesses and sponsors like you, the Moriches Bay Project achieved many important and exciting goals. Specifically, MBP put more than 500,000 oysters in the bay, filtering 25 million gallons of water each day. In addition, 786 pounds of nitrogen were removed from the bay, more than doubling the pounds removed last year! An unprecedented 5,061 people were engaged in helping to improve water quality in the bay through participation in various community events, educational programs and workshops.

This year's Oyster Fling will once again feature fare prepared by Buoy One of Westhampton, live music, and various auctions. The highlight of the evening is the Oyster Fling, which will give guests the unique and hands-on opportunity to participate in an activity that directly cleans Moriches Bay and helps further our mission.

Below, please find the sponsorship opportunities, auction prize option and event book ad sponsorship that are available this year. Through a donation to this event, you will join a dedicated group of people who work to help preserve the bay, bring awareness to our community and educate our children. We hope that you or your company will be among the contributors who add to this special evening.

Thank you in advance for supporting our grassroots project and for helping to improve the quality of life in and on our bay. Please contact us at 631.599.1864 or email us at [info@morichesbayproject.org](mailto:info@morichesbayproject.org) with any questions.

We all live work or play on the bay - we have a responsibility to care for it.
