

P.O. Box 203 Westhampton NY 11977

Dear Friend of the Moriches Bay Project,

Please join us for the 5th Annual Save the Bay "Oyster Fling" which will be held on Saturday, June 29, 2019 at 7 p.m. at the Village Marina in Westhampton Beach.

MBP is grateful to all our friends and supporters in the community and are so proud of what we have accomplished together in 2018. With the generous support of local businesses and sponsors like you, the Moriches Bay Project achieved many important and exciting goals. Specifically, MBP put more than 500,000 oysters in the bay, filtering 25 million gallons of water each day. In addition, 786 pounds of nitrogen were removed from the bay, more than doubling the pounds removed last year! An unprecedented 5061 people were engaged in helping to improve water quality in the bay through participation in various community events, educational programs and workshops.

We are currently securing donations for the 2019 Oyster fling auction. Through a donation to our Oyster Fling, you will join a dedicated group of people who work to help preserve the bay, bring awareness to our community, and educate our children. Contributors will be listed in our Benefit Journal, as a proud sponsor to the Moriches Bay Project.

Thank you in advance for supporting our grassroots project and for helping to improve the quality of life in and on our bay. Please contact us at 631.599.1864 or email us at info@morichesbayproject.com with any questions.
