

P.O. Box 203 Westhampton N.Y. 11977

March 10<sup>th</sup> 2022

Dear Friend of the Moriches Bay Project,

Please join us for the 1<sup>st</sup> Annual *Save the Bay Bayside Fete*, a more casual and grass roots oyster fling, as we feel the world is not quite ready for a large-scale fundraising event. Our *Bayside Fete* will be held on Saturday, May 21<sup>st</sup>, 5:00 p.m. – 8:00 p.m., at the Moriches Yacht Club located on Union Avenue in Center Moriches.

We hope that we can count on your continued support of the Moriches Bay Project (MBP), which like so many other nonprofit organizations, have not been able to host important fundraising activities for nearly two years. Your participation will play an essential role in helping us achieve our mission to clean Moriches Bay...*ONE OYSTER AT A TIME*.

Support from our generous sponsors has been instrumental in helping MBP continue to make important accomplishments. Specifically, last year the MBP put more than 600,000 oysters in the bay, which filters 30 million gallons of water each day – that's some very exciting news! Last year, MBP staff and our partners from Cornell Cooperative Extension found evidence of juvenile oysters, as well as two species of seaweed, and an adorable squirrel fish while monitoring the MBP oyster bar/reef in Brookhaven Town waters. This is evidence that the reef is creating habitat for many species and our efforts are making a difference!!! This has been made possible thanks to our dedicated sponsors.

We sincerely hope you will join us for our *Bayside Fete*, which will highlight and celebrate the work we have done. The evening will feature live music, local beer and wine, small bites, and a pop-up market.

Below, please find the sponsorship/donor levels that are available. Through a donation to this event, you will join a dedicated group of people who work to help preserve the bay, bring awareness to our community, and educate our children. We hope that you and your company will be among the contributors who add to this special evening.

Thank you in advance for supporting our grassroots project and for helping to improve the quality of life in and on our bay. We all live work or play on the bay - we have a responsibility to care for it.
