

P.O. Box 203 Westhampton N.Y. 11977

Dear Friend of the Moriches Bay Project,

Please join us for our annual "Save the Bay" fundraising cocktail party! Our event will be held on Saturday, May 18th, 5:00 pm – 9:00 pm, at the Swordfish Beach Club in Westhampton Beach.

The Moriches Bay Project is going into our 12th season! As we look back on our accomplishments in 2023 and focus on our initiatives for 2024, we must stop and thank our partners who have enabled us to continue our work. Your help has been instrumental in providing the Moriches Bay Project with the resources that have allowed us to make important improvements in our bay and to continue educating the community. We hope that we can count on your continued support in helping us pursue our mission to clean Moriches Bay ... ONE OYSTER AT A TIME.

Support from our generous sponsors has been invaluable in helping the MBP continue to make important accomplishments. This past year, the Moriches Bay Project planted 700,000 oysters in the bay through the utilization of our six oyster gardens, three FL.UP.SY, three oyster beds and one oyster reef. These oysters have the capability of filtering thirty-five million gallons of water each day!

We sincerely hope you will join us for our "Save the Bay" fundraiser which will highlight and celebrate the work we have done. This fun-filled evening will feature live music, small bites by Saltwater Kitchen, specialty cocktail bars, raw bar by Buoy One, and a pop-up market.

Below, please find the sponsorship levels and auction sponsorships that are available. Through a donation to this event, you will join a dedicated group of people who work to help preserve the bay, bring awareness to our community, and educate our children.

Thank you in advance for supporting our grassroots project and for helping to improve the quality of life in and on our bay. We all live, work or play on the bay - we have a responsibility to care for it. Thank you!
